EXPERIENCE

May 2015 – Current   **Ryan, LLC |** *Senior Consultant*   **Houston, TX**

• Compiled, reviewed, and consolidated financial data to maximize clients' savings and improve audit assessments.

• Improved my team's capacity to take on more projects and generate more revenue by managing additional client engagements and implementing enhanced data analysis procedures.

• Managed multiple staff members and trained them on data management and analysis to improve operational efficiency for the team.

January 2013 - May 2015   **Ryan, LLC |** *Consultant*   **Houston, TX**

• Generated over $8 million of savings for clients by analyzing extracted data, researching state tax laws, and creating complex databases and tax models that helped me recalculate the client's NTV.

• Increased my team's overall ROI 50% by developing databases to achieve our goals and get faster results without hindering the quality of service.

• Assisted with business development by analyzing prospective clients' strategic operations and developing comprehensive reports, which led to a discovery of $12 million in potential savings.
